Tune In To The Sounds of English

The Sounds of English spelling pack is an innovative new resource developed by DSF Literacy Services. This approach to spelling was developed in order to encourage students to "tune in" to the sounds of words and to consider how these sounds can be represented with letters and letter patterns. Each pack contains a laminated Sounds Sheet with each of the 44 Sounds of English represented by picture and word clues as well as a 25-page "Have A Go" pad where each sound in a spelling word is written down in a box using the associated letter or letter pattern. The Extended Pack also includes an 8-page A4 size reference booklet for Spelling Rules and Grammar.

Initial Phonic Code Pack (first sounds for new readers)	**$10**
Extended Phonic Code Pack (for more advanced)	**$20**
A1 Size Sounds Sheet poster	**$25**
Spelling Rules and Grammar Booklet	**$10**
Extra "Have A Go" Pads (Initial or Extended)	**$4**
Extra A4 Sounds Sheets (Initial or Extended)	**$4**
Sounds of English Wall Frieze	**$35**

Magnetic Morpheme Activity Pack

These colourful and innovative packs include a 22cm x 28cm magnetic whiteboard, 34 Latin morpheme cards, 34 Anglo Saxon morpheme cards and 40 Greek morpheme cards. Each magnetic laminated card contains a morpheme – an element of speech which carries meaning. These include prefixes, base words and suffixes. On the back of each card is the description and meaning of the morpheme. The cards can be used on a magnetic whiteboard for word building activities which focus on word families and Latin word structure. Such activities are perfect for upper primary and secondary students. Presented in an attractive, hard-wearing, drawstring calico bag.
