Talk For Writing Accrsc The Curriculum - \$48 (\$42 for workshop attendees)

This book shows you how to help children speak the language of nonfiction before they attempt to write it. This is a three-step process using fun, multi-sensory activities. It helps build children's confidence and linguistic ability so that they are able to create their own writing.

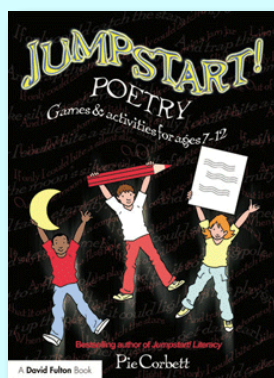

'Talk For Writing Across The Curriculum' is designed with busy teachers in mind and will help them transform children's writing and attainment across the curriculum.

Jumpstart! Storymaking - \$36

Jumpstart! Storymaking is a collection of games and activities to develop the creative process of 'storymaking'. It focuses upon 'storytelling for writing' as well as creating a whole school culture of storytelling, reading and writing.

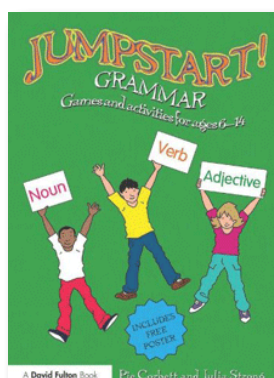

Storymaking is the process of retelling, innovating and creating new stories. Practical, easy-to-use and vastly entertaining, the 'jumpstarts' will appeal to busy teachers.
